

THE TRUTH ABOUT **WOOD**

The choice is obvious

MYTH vs. TRUTH

- M** Wood preservative treatments are not effective against termites and decay.
- T** Borate treated wood meets Building Code Standards in Hawaii and has proven durable and reliable over decades of use in thousands of homes in Hawaii. It is also backed by a written replacement warranty.
- M** Wood structures have higher energy cost than steel for a Cool and Comfortable home.
- T** Wood conducts 400 times less heat than steel. And 8.5 times less heat than concrete. Wood homes use far less energy and money to stay cool.
